BOARD OF SUPERVISOR 2017 BUDGET MESSAGE

On behalf of A. Douglas Berwanger, Chairman and the Wyoming County Board of Supervisors, it is my honor to present the TENTATIVE 2017 BUDGET.

The 2016 budget was extremely challenging given the limited resources and the expenses that were committed and mandated. Over the course of the year, it became evident that some reductions made while formulating the 2016 budget were unsustainable. During the year, the board made several difficult decisions that resulted in modest increases to ensure that core services and functions of government continue to be delivered. However, those decisions made locally are minuscule compared to the impact of those decisions made in Albany. The mandated expenses imposed on counties drive our budget and continue to limit local flexibility. With a levy of just over \$20M, 100% of that is for mandated services directed by the state.

This year the estimated Property Tax Cap allowable increase is just under \$200K. That is not much given a bare bones budget to begin with and the significant impact of stagnant sales tax revenue for the fifth year in a row. Add to that some very large increases in mandated expenses, such as the \$500K increase to Community Colleges; it is obvious that to construct a budget within the boundaries of a tax cap without mandate relief is nearly impossible.

The Wyoming County Board of Supervisors works diligently to balance the needs of the residents while maintaining financial stability. This honorable Board agreed to present the following Tentative 2017 Budget.

Property Tax:

The proposed 2017 budget appropriations total \$128,900,000 reflecting an increase of 4.55% or \$5,610,324 more than 2016. Estimated revenues in the amount of \$107,312,612 have been proposed increasing by \$3,934,945 or 3.81%. In an effort to reduce the tax levy, surplus funds have been applied from the General Fund of \$750,000, the Highway Fund of \$382,248 and the Machinery Fund of \$131,131 for a total of \$1,263,379. This represents a tax rate increase of 2.89% or for a home with a full value of \$92,500 (median sale value 2015) an increase of \$23.11. It is important to note that these numbers reflect the levy based on the basic County operations budgets only. They do not reflect the additional amounts that will be added for the Board of Elections, Workers Compensation, Recycling Program or any other re-levies or corrections.

Taxable Valuation Table:

	Adopted 2016	Tentative 2017	Increase / (Decrease)
Taxable Valuation	1,958,246,587	2,044,543,907	86,297,320

Many towns in the county are at various levels of equalization which will determine the tax rate for 2017. Additionally, the rate is affected if the equalization rate changed from year to year, as evident by the increases and decreases per thousand. Below is an estimate of what those rates would be for each town:

New York State continues to impose mandates that severely constrain the county finances. In the 2017 budget, the mandated community college cost increased by over \$500,000. This combined with a Medicaid increase of \$600,000 a requirement as part of a Federal matching program for the Nursing Home has added \$1.1M to the county levy over the adopted 2016 budget. There are smaller mandates as well that impact the levy, including a mandated salary increase for the District Attorney, expanded eligibility for Public Defender services and increased reporting to name a few. The argument is still appropriate that without continued mandate relief, the county will have to either cut local services in favor of state mandates or raise taxes to pay for them.

Based on the state property tax cap, the state cap calculation formula limits the increase in taxes levied by local governments and school districts to 2% (or the rate of inflation) with an allowable adjustment for real property growth in the tax base. Due to the low rate of inflation, the 2017 state calculated cap for Wyoming County allows for a levy increase of .94% or \$198,585.

Levy:

The County Tax Levy is calculated by subtracting available and estimated revenue from the estimated expenses. The difference results in the tax levy. Below is an outline of where the funds have increased and decreased, before any fund balance is applied to reduce the overall impact. It is clear that there are large increases in the categories discussed above, Education and Medicaid. The General Government reflects an increase in the contingency line for the Hospital as well as the potential impact of union negotiations. Additionally, Public Safety continues to be one of the highest priorities and most labor intensive areas of the budget which is reflected by the increase below.

The significant decrease to the Wyoming County Community Hospital represents the estimated impact of grant funding awarded by the State. This funding is intended to provide debt defeasance to the financial liability incurred for the hospital renovation project.

Expenditures:

The proposed 2017 tentative budget does not include salary increases for management and elected personnel. In most funds, no salary increases have been budgeted for employees represented by the CSEA bargaining unit, the Sheriff Employees' Association and the Deputy Sheriff's Association or the Schedule E CSEA Supervisory unit (WCCH) as negotiations are currently in process. The tentative budget also reflects several staff adjustments that have been made during 2016 as the demands and needs of each department continue to change. This budget does include the addition of one Full Time Sheriff Deputy and eliminates one Full Time Planner.

The County continues to focus on the most essential equipment needs of each department and the cost benefit associated with each purchase. The Tentative Budget reflects the cost of computer capital equipment purchased by the Information Technology Department, allowing for more efficient processes by incorporating the most up to date changes in technology. Additionally, the budget includes an allocation for the purchase of new vehicles to be utilized by the Sheriff's Department, Building Codes Enforcement and the Department of Social Services.

As always, each department head negotiates contracts for services vigorously to ensure cost increases are limited. They also work cooperatively with each other to provide efficiency through shared services, information and resources. This has proven effective in containing cost increases while still providing valuable services to residents.

Because the Board continues to realize the importance of allocating resources to partner agencies, each agency was asked to submit a budget reflecting stable funding. This year the Board has included a new appropriation to the Wyoming County Community Action. These agencies include:

Agency	2017 Allocation
Wyoming County Community Action	\$10,000.00
Wyoming County Chamber of Commerce (Tourism)	\$150,234.00
Wyoming County Business Education Council	\$4,300.00
Wyoming County Business Center	\$60,000.00
Wyoming County Arts Council	\$11,432.00
Wyoming County Wildlife Federation	\$904.32
Wyoming County Soil and Water	\$159,710.25
Cornell Cooperative Extension	\$390,400.00
Wyoming County Fair Association	\$23,000.00

Although most fringe benefits in the 2017 budget are required by law, any area of local control is identified and addressed to ensure the impact is minimal to the county taxpayers. Those areas include staffing levels and the health and wellness of our employees and their families. Over the years the county has realized the workforce savings through the advancement of technology. This technology has streamlined many processes, not only saving money but allowing for a more efficiently run government. This year the number of employees has essentially remained level over 2016, however the level of expertise, the morphing of responsibilities and the apparent need in various priority areas has allowed for the necessary staffing changes to accomplish the mission of county government. Departments continue to work collaboratively with each other, exploring possible relationships to provide needed services through agreements as well as sharing employees.

The County Health Insurance Department continues to work tirelessly providing employees and their families with options and information regarding their overall health in an effort to keep our medical utilization as low as possible. In 2016, the County entered into a relationship with Health Now, the third party Health Reimbursement Account administrator, who reimburses providers directly for services, making for the most efficient delivery of payment. This has only helped employees make the decision to move from the more expensive tradition PPO plan to the high deductible plan. This not only saves the county and employee money, it enables the participant to become a better consumer of health care.

Due to favorable market returns, and the retirement of several lower tiered employees, the NYS Retirement estimated bill reflects only a slight increase to the annual contribution. Although still carrying a hefty price tag of over \$5.5M a year.

The following chart illustrates the breakdown of the 2017 Tentative Budget by fund:

FUND	EXPENDITURE	%
General Fund	61,566,614.32	47.76%
Hospital Fund	54,380,510.00	42.19%
Machinery Fund	1,428,413.44	1.11%
Highway Fund	7,931,674.44	6.15%
Workers Compensation Fund	3,155,190.00	2.45%
Job Training Fund	287,598.00	0.22%
Building Equipment Capital Reserve	150,000.00	0.12%
Total Budgeted Expenditures	128,900,000.20	100.00%

Revenues:

After property taxes, sales tax is the next largest revenue source in the county's General Fund. The 2017 Tentative Budget estimates that \$17,000,000 will be collected in sales tax revenue. Historically, on average, counties across NYS could safely estimate a 3% increase in sales tax revenue a year. In Wyoming County actual receipts show this amount has not budged since 2012, drastically impacting the budget, allowing fewer resources to cover costs that continue to rise. One of the main sources of sales tax in Wyoming County is from gasoline sales. Although the lower gasoline price is great for consumers, without that consumer spending those dollars in the county, future budgets will be just as difficult to develop. Understanding the importance of the issue, the Wyoming County Chamber of Commerce has initiated an annual holiday season "Shop Local" campaign, encouraging residents to do their holiday shopping in the county. It has proven successful by the total sales receipts entered each year.

Indebtedness:

The total indebtedness for Wyoming County as of November 14th, 2016 is in the amount of \$37,176,000. This is \$4,331,000 more than the 2016 amount of \$32,845,000. A majority of the debt is associated with the renovation and upgrades to the Hospital and Nursing Facility, a balance remaining of just under \$18M. As the County works with the State on a plan to retire a majority of that debt through the grant award, future budgets will reflect a significant decrease. The other large investment was made to the county's road infrastructure. In 2016 the county approved an

additional \$12M in borrowing to complete the remaining roads identified in the original 2009 Better Pavement Program. Because this borrowing is done in stages, only \$5.5M has actually been borrowed to date as reflected in the complete schedule of indebtedness available in the budget packet.

The Finance Committee, Chairman of the Board of Supervisors and I extend our thanks to all who helped to put this 2017 Tentative Budget together. It has been my privilege to present it to you for your consideration. I would like to express my sincere appreciation to all of those involved; your efforts are greatly appreciated.
