BOARD OF SUPERVISOR 2016 BUDGET MESSAGE

On behalf of A. Douglas Berwanger, Chairman and the Wyoming County Board of Supervisors, it is my honor to present the TENTATIVE 2016 BUDGET.

This tentative budget reflects the enormous effort put forth by the Board Supervisors, Department Heads, Contract Agencies and the Taxpayers of Wyoming County. Early in 2015, the multi-year financial plan was reviewed by the Board and it was clear that if actions weren't taken to reduce expenditures, the county could be facing another 10% increase in tax levy for 2016. Because all the county levy and even some local revenue is spent on state mandated services, the Board agreed it was time to ask the people; what local services are most important to you?

There was consensus that it was necessary to inform everyone, especially the public, what the situation was, how and why the tax levy has increased, provide a platform for ideas, questions and answers, and finally assure the public that we work for them and collectively will do everything reasonably possible to ensure that another large tax levy increase for 2016 will be avoided. Public forums were held in the spring at various locations and times throughout the county. The forums began with an overview of the budget process and how it is developed, where the revenues are generated and how state mandated expenditures affect the budget. Then, the floor was open to questions, suggestions and comments, many expressing the desire to maintain various services, even if a small tax increase was necessary. The forums were very successful and the feedback was phenomenal.

To provide services to our residents and to maintain the financial stability of this county, this honorable Board of Supervisors agreed to be presented with the following Tentative 2016 Budget.

Taxable Valuation Table:

	Adopted 2015	Tentative 2016	Increase / (Decrease)
Taxable Valuation	1,923,852,474	1,958,246,587	34,394,113

Co. Tax Rate with 100% Equalization Rate – Full Value / 1,000	8.66	8.66	0.00

The proposed 2016 budget appropriations total \$123,289,676 reflecting a *decrease* of 1% or \$1,247,680 *less* than 2015. Estimated revenues in the amount of \$103,377,676 have been proposed *decreasing* by \$9,641 or .01%. In an effort to reduce the tax levy, surplus funds have been applied from the General Fund of \$1,000,000 and the Highway Fund of \$400,000 for a total of \$1,400,000. Additionally, due to unusually large potential unpaid tax liabilities identified in 2015, it was prudent for the county to increase the Reserve for Uncollectable taxes by \$300,000. That amount was added directly to the total tax levy for 2016. This represents a 0% tax rate increase for a home with a full value of \$92,000 (median sale value 2014). Many towns in the county are at various levels of equalization which will determine the tax rate for 2016. Additionally, the rate is affected if the equalization rate changed from year to year, as evident by the increases and decreases per thousand. Below is an estimate of what those rates would be for each town:

The New York State Property Tax Cap Law was enacted in 2012 with the desired effect of reducing property taxes across NYS. This law was enacted with the promise of state mandate relief. Although the county is beginning to see signs of relief in Medicaid expense and retirement contributions, just nine of the state mandates continue to represent 105% of the 2016 proposed county tax levy. The argument is still appropriate that without continued mandate relief, the county will have to continue cutting local services in favor of state mandates.

Based on the state property tax cap, the state cap calculation formula limits the increase in taxes levied by local governments and school districts to 2% (or the rate of inflation) with an allowable adjustment for real property growth in the tax base. Due to the low rate of inflation, the 2016 state calculated cap for Wyoming County allows for a levy *increase of* 1.01% or \$209,752. Even with all the savings generated by actions implemented locally including the Tax Freeze Government Efficiency Plan submitted and accepted by the NYS Division of Budget, it will again be necessary to override the property tax cap by adoption of a local law before this budget can be adopted.

Levy:

In 2016, Department Heads were instructed to submit a budget that reduced the levy by 3% from the adopted 2015 levy. Additionally, all the contract agencies were asked to submit a budget that reduced their county allocation by 20%. These cuts had to have a positive impact on the budget while maximizing revenue, maintaining customer service and continue efficient operations. The proposed budget for operations in the General Fund illustrates the commitment to the outlined goal. As you can see in the chart below, the levy decrease of 5.68% compared to 2015 was indeed challenging, but ultimately contributed to the tentative tax rate for 2016.

Expenditures:

The proposed 2016 tentative budget does not include salary increases for management and elected personnel. In most funds, no salary increases have been budgeted for employees represented by the CSEA bargaining unit, the Sheriff Employees' Association and the Deputy Sheriff's Association or the Schedule E CSEA Supervisory unit (WCCH) as negotiations are currently in process. The tentative budget also reflects several staff reductions; a combination of retirements, elimination of some temporary and seasonal staff, as well as reducing hours of some positions. This resulted in an estimated savings of roughly \$440,000, (\$240,000 for the General Fund and \$200,000 for the Hospital Fund). Below is just a sampling of actions taken to secure this reduction:

- Left Vacant (not funded) - Deputy Budget Officer (PT) as a result of retirement
- Eliminated - Jail Chaplin (PT) due to a shift in the way services are delivered to the Jail; will be filled by committed volunteers
- Eliminated - Summer Interns for the Information Technology Department
- Reduced - Real Property Tax Services Aide to part-time
- Eliminated - Temporary Clerk in the County Clerk's Office
- Reduced - Probation Assistant from full-time to 15 hours a week
- Left Vacant (not funded) - One Fire Safety Inspector position in Building Codes; to be performed by existing Public Health Environmental staff
- The Wyoming County Community Health System has made several position adjustments and continues to work closely with the University of Rochester to assess effective staffing needs of the operation

The County continues to focus on the most essential equipment needs of each department and the cost benefit associated with each purchase. The Tentative Budget reflects the cost of computer capital equipment purchased by the Information Technology Department, allowing for more efficient processes by incorporating the most up to date changes in technology. Additionally, the budget includes an allocation for the purchase of new vehicles to be utilized by the Sheriff's Department and the Department of Social Services.

Because the Board continues to realize the importance of allocating resources to partner agencies, it was a difficult but necessary decision to reduce these budgets as well. Each agency was asked to submit a budget reflecting a 20% decrease in funding, saving roughly \$150,000 of County tax dollars. These agencies include:

Agency	2016 Allocation
Wyoming County Chamber of Commerce (Tourism)	\$135,984.00
Wyoming County Business Education Council	\$4,300.00
Wyoming County Business Center	\$60,000.00
Wyoming County Arts Council	\$11,432.00
Wyoming County Wildlife Federation	\$904.32
Wyoming County Soil and Water	\$128,130.12
Cornell Cooperative Extension	\$364,400.00
Wyoming County Fair Association	\$18,000.00

The 2016 proposed budget shows a *decrease* of \$1,085,000 in fringe benefit costs. Because most fringe benefits are required by law, the County focuses on the areas that are within local control. Those areas include most staffing levels and the health and wellness of our employees and their families. The number of employees has seen a continual decrease over the years as technology has streamlined processes, departments work collaboratively with each other to provide a needed service through agreements as well as departments sharing employees. This has resulted in a savings not only in salaries but related fringes as well.

This year, County Health Insurance Department, in cooperation with the Health Insurance Task Force, was able to negotiate a very competitive 2016 premium rate for employees participating in the County's Health Insurance program. The switch from the current Univera plan to the Blue Cross / Blue Shield plan will continue to provide employees and their families with options and information regarding their overall health in an effort to keep our medical utilization as low as possible. Additionally, with the move to a new provider, the third party Health Reimbursement Account administration will be shifting to a new company who will be paying providers directly for services, making for the most efficient delivery of payment. Recently, the county has seen an increase in employees moving from the more expensive tradition PPO plan to the high deductible plan. This not only saves the county and employee money, it enables the participant to become a better consumer of health care. The County continues to offer the traditional PPO plan, with a premium increase of 5.2% this year.

Due to favorable market returns, the NYS Retirement estimated bill reflected a decrease in the annual contribution. Although still carrying a hefty price tag of over \$5.5M a year, the estimated amount in 2016 shows a substantial decrease from its peak cost in 2014 of just over \$6.5M.

The following chart illustrates the breakdown of the 2016 Tentative Budget by fund:

FUND	EXPENDITURE	%
General Fund	58,919,681.21	47.79%
Hospital Fund	51,056,486.00	41.41%
Machinery Fund	1,262,345.00	1.02%
Highway Fund	8,473,090.00	6.87%
Workers Compensation Fund	3,200,632.00	2.60%
Job Training Fund	302,442.00	0.25%
Building Equipment Capital Reserve	75000	0.06%
Total Budgeted Expenditures	123,289,676.21	100.00%

Revenues:

After property taxes, sales tax is the next largest revenue source in the county's General Fund. The 2016 Tentative Budget estimates that \$16,950,000 will be collected in sales tax revenue. Historically, on average, counties across NYS could safely estimate a 3% increase in sales tax revenue a year. In Wyoming County actual receipts show this amount has not budged since 2012, drastically impacting the budget, allowing fewer resources to cover costs that continue to rise. One of the main sources of sales tax in Wyoming County is from gasoline sales. Although the lower gasoline price is great for consumers, without that consumer spending those dollars in the county, future budgets will be just as difficult to develop. Understanding the importance of the

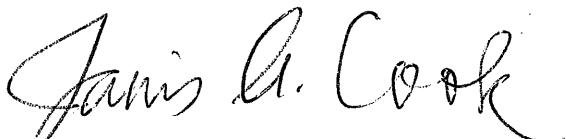

issue, the Wyoming County Chamber of Commerce has initiated an annual holiday season “Shop Local” campaign, encouraging residents to do their holiday shopping in the county. It has proven successful by the total sales receipts entered each year.

Indebtedness:

The total indebtedness for Wyoming County as of November 15th, 2015 is in the amount of \$32,845,000. This is \$1,964,000 less than the 2015 amount of \$34,809,000. A majority of the debt is associated with the various stages of renovation to the Hospital and Nursing Facility a balance remaining of just over \$19.5M. The other large investment was made to the county’s road infrastructure reflecting a balance of \$8.3M. A complete schedule of indebtedness is available in your budget packet.

The Finance Committee, Chairman of the Board of Supervisors and I extend our thanks to all who helped to put this 2016 Tentative Budget together. It has been my privilege to present it to you for your consideration. I would like to express my sincere appreciation to all of those involved; your efforts are greatly appreciated.
