- If approved by the department, a physical will be required to be completed through Workplace Health Services, located at 408 North Main Street, Warsaw. This comes at no cost to you
- If pursuing a firefighter qualification, you will need to enroll in the Basic Exterior Firefighter Course. From there, additional courses are provided depending on level of interest and path you wish to pursue
- If pursuing an EMT qualification, you will need to take and pass the NYS EMT course. These are generally run once or twice a year in the County.
- All training is provided at no cost to you.
