Once again the time is approaching where local weather conditions may cause exam candidates to wonder if the test center will be closed. For security reasons, the decision to cancel is not made until the day of the examination and per the NYS Department of Civil Service Municipal Services Division, should not be based on a forecast.

**Unless the County of Wyoming or the Town and/or Village of Warsaw where the examination is to be held has declared a snow or weather-related emergency and the public has been advised to stay off the roads, the examination is to be conducted as scheduled, if at all practicable to do so.**

In the event of an emergency (weather related or otherwise) that requires cancellation of an examination, a notice will be provided in one or more of the following methods:

- WCJW 1140 AM radio station cancellation announcements.
- Wyoming County Civil Service website on the Upcoming Examinations page.  
<https://www.wyomingco.net/171/Upcoming-Examinations>
- Wyoming County Civil Service Office voice mail.  
You may access this notice by calling (585) 786-8830, and choosing option 1.
- Email Notification sent to address provided on candidates' exam application.
- Phone call to number provided on candidates' exam application.

***\*\* Please check all available resources listed above,  
as we may only have access to certain means due to the reason for the cancellation. \*\****

**In the absence of such a notice, the examination will be held as scheduled.**

For PERSONAL emergency situations, (weather related or otherwise ): you, the exam candidate, must notify this office no later than the TUESDAY following the SATURDAY of the scheduled test date. Contact information is above.
