PRESS RELEASE
November 20, 2020 @ 2:00 p.m.

**The Wyoming County Health Department will be offering FREE
COVID-19 rapid tests for Wyoming County residents**

**Tuesday, November 24th from 9:00am to 12:00noon
5362 Mungers Mill Road, Silver Springs, NY 14550**

You must make an appointment to be tested.

Appointments can be made by calling the Wyoming County Response Line at
786-8911 weekdays from 8:30am-3:30pm

Please arrive within a few minutes of your appointment time.

The site is drive through only. All individuals should remain in their cars.

Wyoming County Board of Supervisors Chairwoman, Rebecca J. Ryan, as of earlier today, Friday, November 20, 2020, the Wyoming County Health Department reports three hundred forty-three (343) lab-confirmed positive cases of COVID-19 among Wyoming County residents. This is an increase of seven (7) cases from the last reported increase on Thursday, November 19, 2020.

Quadrant	Positive Cases	Mandatory Isolation (ACTIVE)
Northwest (Attica, Bennington, Orangeville, Sheldon)	106	18
Southwest (Arcade, Eagle, Java, Wethersfield)	66	8
Southeast (Castile, Gainesville, Genesee Falls, Pike)	48	6
Northeast (Covington, Middlebury, Perry, Warsaw)	123	12
Total Community	343	
**DOCCS	42	
TOTAL	385	44

**** To date, forty-two inmates have tested positive for COVID-19 at state correctional facilities in Wyoming County. These positive cases are being managed by DOCCS; a cumulative total of DOCCS cases will be added to future reports, see above.**

County	# of Positive	# of Negative	Mandatory Isolation	Mandatory Quarantine	Precautionary Quarantine (Traveler)	# Deaths	# Recovered
Wyoming	343	*29,013	44	215	29	5	294

***From the NYS Department of Health COVID-19 Tracker Report, not de-duplicated**

Cumulative Age Breakdown									
Age	0-20	20's	30's	40's	50's	60's	70's	80's	90+

What You Need to Know from New York State
(LAST UPDATED: NOVEMBER 18, 2020 AT 5:53 PM)

- Bars, restaurants and gyms, as well as any State Liquor Authority-licensed establishment, must close in-person service from 10 p.m. to 5 a.m. daily.
- Indoor and outdoor gatherings at private residences are limited to no more than 10 people.
- A new [***Cluster Action Initiative***](#) will address COVID-19 hot spots that have cropped up across the state; Wyoming County is not a current hotspot/does not have any cluster zones.
- New travel guidelines allowing out-of-state travelers to “test out” of the mandatory 14-day quarantine will be in effect beginning November 4. [***Find out more information here.***](#)
- Based on each region's infection rate, schools across New York State can be open but must have a testing and tracing plan; a [***COVID Report Card***](#) hosted by the NYS Department of Health will show COVID-19 positive case data for every school district in the state.
- Ski resorts can reopen with 50 percent indoor capacity and with strict health and safety protocols under state-issued guidance starting Friday, November 6.
- To report violations of health and safety restrictions and requirements for businesses, gatherings and individuals, please choose the appropriate link below:
 - [***File a complaint about a business, location or incident in your community.***](#)
 - [***File a complaint against your employer or place of work.***](#)
- Go to [***forward.ny.gov***](#) to find: Industry guidance on re-opening; regional dashboards for monitoring how the virus is being contained; and information on loans for small businesses.
- New Yorkers without health insurance can apply through [***NY State of Health***](#) or call the Wyoming County Health Department at 786-8890 through 12/31/20; you should apply within 60 days of losing coverage.
- Health care workers can text NYFRONTLINE to 741-741 to access 24/7 emotional support services.
- Any New Yorker can call the COVID-19 Emotional Support Hotline at **1-844-863-9314** for mental health counseling.
- The Wyoming County Crisis Line is available 24 hours a day / 7 days a week at 283-5200.
- The NYS Department of Health collects, compiles, and analyzes information on flu activity year-round in New York, and produces a weekly report during the flu season (October through the following May).
