PRESS RELEASE
January 12, 2021

**The Wyoming County Health Department will be offering FREE
COVID-19 rapid tests for those who live or work in Wyoming County**

**The next community COVID-19 TESTING event will be held Wednesday, January 20th
Details and registration information will be announced by Wednesday, January 13th**

From the New York State Department of Health: If you are in the Phase 1A or 1B Priority Population according to the NYS Department of Health [“Phased Distribution of the Vaccine”](#) guidelines, you are currently eligible to receive a COVID-19 vaccination.

The Wyoming County Health Department COVID-19 vaccine clinics for the week of January 11, 2021 are fully booked. More vaccination clinics will be announced when additional vaccine is received from New York State. Check back frequently at www.wyomingco.net for updated information. It is expected that pharmacy locations and physician practices in Wyoming County will receive vaccine directly from New York State in the coming days and weeks.

New York State estimates it may take up to three months to vaccinate everyone eligible in Phases 1A and 1B. Today, New York State announced a further expansion to the eligible priority population, which now includes adults age 65 years and older and immunocompromised individuals.

Wyoming County Board of Supervisors Chairwoman, Rebecca J. Ryan announced as of Tuesday, January 12, 2021, the Wyoming County Health Department reports one thousand four hundred sixty (1,460) lab-confirmed positive community cases of COVID-19 among Wyoming County residents. This is an increase of fifteen (15) cases from the last reported increase on Monday, January 11, 2021.
