**Anyone who needs a COVID vaccine can schedule** online by visiting: [www.wyomingco.net](http://www.wyomingco.net) and selecting “COVID-19 Vaccination” under *Quick Links* or by calling the Wyoming County Response Line at 786-8911. Locate other vaccine clinic locations at the Vaccine Finder [HERE](#).

- Thursday, February 10, 2022 Governor Hochul announced the broader statewide indoor mask mandate has been lifted. Certain settings will still require all individuals to wear a mask including state-regulated health care settings, adult care facilities and nursing homes; schools and childcare centers (though Governor Hochul indicated that school masking requirements will be re-evaluated in early March); correctional facilities; shelters; and public transportation (buses, trains, airports, etc.).
- There is no mask requirement in Wyoming County buildings, for either employees or visitors, except for the following:

Wyoming County Community Hospital

Thomson Hall

All Healthcare Clinics

408 North Main

Health Department Testing and Vaccination Clinics

Please continue to practice safe health measures such as frequent hand-washing and use of hand-sanitizer. Anyone who feels more comfortable wearing face-masks when in close proximity to others should do so. If you are sick, please stay home.

- Wyoming County residents can visit [www.wyomingco.net](http://www.wyomingco.net) and choose “Report a Positive COVID-19 Home Test” option under *Quick Links* to self-report a positive at home COVID-19 test. After submitting a positive result you will be able to print an “AFFIRMATION OF ISOLATION” if needed for school or work. The state is moving to self-management for anyone who tests positive or who is exposed.
- The Wyoming County Health Department will offer ***COVID-19 testing on Monday and Thursday*** each week. Testing will be “drive through” style at the Wyoming County Highway Department located at 4328 Route 19, approximately 4 miles south of the Village of Warsaw. Results are available the same day and there is no charge. To schedule an appointment for a COVID- 19 test please visit the Wyoming County Website [HERE](#) or [www.wyomingco.net](http://www.wyomingco.net) and choose “COVID-19 Testing Clinic Registration” under *Quick Links*. Call the Wyoming County Response Line with questions or for assistance at 786-8911.

**Wyoming County Board of Supervisors Chairwoman, Rebecca J. Ryan** announced as of Thursday, February 10, 2022, the Wyoming County Health Department reports seven thousand five hundred ninety-three (7,593) lab-confirmed positive community cases of COVID-19 among Wyoming County residents. There is an increase of eighty-nine (89) total cases since the last reported increase on Thursday, February 3, 2022.

County	Cumulative Positive	Weekly Reported Home positive	Weekly Reported Lab positive	Wyoming County Fatalities	# Wyoming County residents with at least 1 dose**	% of all Wyoming County residents with at least 1 dose
Wyoming	7,593	47	42	81	22,910	57.2%

*All data are provisional*

*\*\*Wyoming County residents with at least one dose of COVID-19 vaccine.*

Given recent changes announced by the NYS Department of Health, the format of weekly Press Releases may be subject to change. The NYSDOH COVID-19 data dashboard can be located here: <https://coronavirus.health.ny.gov/covid-19-data-new-york>. Community transmission of COVID-19 is still occurring, please consider wearing a mask if you have been exposed and stay home and isolate from your household if you are sick.

The Centers for Disease Control and Prevention (CDC) also maintains a county-level [COVID-19 data tracker](#). The CDC tracker provides up-to-date information about COVID-19 testing, cases, hospitalizations, and deaths. The tracker contains data for all US counties allowing for regional comparisons.
